

United in Faith and Hope

As part of a community of faith, the National Catholic Educational Association (NCEA) stands together with the nation and the world in prayer for the loss of life and the destruction caused by the recent wildfires on the Hawaiian island of Maui. We pray for all those affected, including the deceased, injured and displaced and offer special prayers for the first responders and all those who offer aid, recovery and relief. You can read the press release [here](#).

Sacred Hearts School on Maui was impacted by fire. In response to the tragedy and ruin on the island, the Diocese of Honolulu has set up a dedicated webpage for donations to go directly to relief efforts through the Hawaii Catholic Community Foundation (HCCF), a 501(c)(3) to support the diocesan parish and school communities. For those who are able to, donations can be made to the [HCCF](#) and through the [Sacred Hearts School donation page](#).
