

# Engage, support, and grow every learner

Newsela's products are purpose-built to inspire teachers, unlock student motivation, and drive long-lasting learning outcomes. With over 15,000 authentic texts published at five reading levels, teacher scaffolding tools, and flexible formative assessments with actionable data and insights, Newsela helps teachers engage, support, and grow every learner.

## Newsela ELA

Give teachers relevant, real-world content combined with powerful scaffolds and assessment tools to make literacy outcomes a reality for every learner. Access to authentic, differentiated texts covering a range of curricular topics and student interests. Build background knowledge, boost vocabulary, and authentically drive literacy skills.

### KEY FEATURES:

- 20+ content genres including fiction, nonfiction, and videos
- Standards-aligned ELA quizzes
- Collections curated with lesson suggestions and planning tools
- Curriculum Complements
- Power Words vocab activities
- Add activities with Formative

## Newsela Social Studies

Give teachers easy access to all the sources, perspectives, and activities they need to build real-world skills, cover required standards, and help every student draw connections between lessons and their everyday lives.

### KEY FEATURES:

- Primary sources, biographies, interactive videos
- Collections organized by course
- Curriculum Complements
- Teaching resources like inquiry-focused lessons
- Add activities with Formative

## Newsela Science

Give teachers the authentic, accessible content they need to integrate science and literacy, build background knowledge on science concepts, develop claims with evidence, and make real-world connections to lessons. Engage every learner to be curious and prepared to solve the problems of tomorrow.

### KEY FEATURES:

- Real-world phenomena, core ideas, interactive videos
- Collections organized by domain
- Curriculum Complements
- NGSS-aligned lessons with performance tasks
- Add activities with Formative

## Formative

Give teachers a formative assessment platform with 20+ customizable activity types and real-time insights to support a range of instruction and assessment needs. Teachers and departments can collaborate and share best practices, and admins can drive common practices and gather consistent data across classrooms to track student progress over time.

### KEY FEATURES:

- 20+ activity types
- Standards-based reporting
- Real-time student feedback and support
- Collaboration and sharing tools
- Shared folders and support for common assessments
