

**EDUCATE † ENGAGE † EMPOWER**

**Job Title:** St. Elizabeth School is currently accepting applications for the following full time teaching position for the 2023-2024 school year: **Middle School Math & Science Teacher**

**Job Description:**

St. Elizabeth is seeking an innovative, dynamic, collaborative teacher who will be responsible for educating Middle School students beginning in the fall of the 2023-2024 school year. This is a unique, exciting opportunity for a passionate teacher who wants to work in a well-established institution that remains true to its Benedictine roots.

This position is part of our plan to differentiate math instruction to teach and support students based on their ability level, readiness, or learning profile. The candidate will be responsible for teaching Tier I in grades 5-7 and Algebra I in grade 8. They will also teach Science to Grades 7 & 8.

Our ideal candidate provides a rigorous learning environment for his/her students, helping them develop as individuals as well as master the subjects they need to succeed. Specifically, ideal candidates for this position are competent and experienced in teaching mathematics and science content. The candidate will be responsible for developing lesson plans and then implementing them in the classroom with flexibility to tailor lessons to students' interests and strengths. Candidates should possess good communication skills to interact positively with students, staff, and parents.

**Qualifications:**

Bachelor's degree in Education.

Teaching Certification.

Experience Teaching Math and Science

**School Mission:**

St. Elizabeth School in Wilmington, Delaware is a Diocesan school, inspired by the teachings of St. Benedict and rooted in Catholic faith. We foster spiritual development, academic excellence, responsibility to self, and service to others in grades Pre-K3 through 12.
