

Saint Mark's High School, a college-preparatory coeducational Catholic high school within the Catholic Diocese of Wilmington, seeks a school counselor for the 2025-2026. The school counselor will complete a team of four School Counselors and two College and Career Counselors.

The Counselor will collaborate with administration, faculty, staff, and parents ; serve as a resource for teachers and administrators to ensure that each student has access to the school counseling program which advocates for all students.

Responsibilities:

- Implement a comprehensive school counseling program that promotes student well being, and responds to student emotional, psychological, academic, and social needs.
- Assist the faculty's efforts to best serve students and to advance school-wide programming.
- Advise students in making good decisions around social challenges, managing emotions, and applying interpersonal skills.
- Provide assistance to individuals or/or groups of students during times of stress, transition, and change.
- Provide academic advising and counseling that leads to a four year plan that maximizes individual student potential .
- Develop strong relationships with external health professionals to provide referrals as needed.
- Facilitate instruction through teaching at least one section of Psychology.
- Assist in development of ninth grade transition program.
- Support Director of School Counseling with implementation of Standardized testing.

Qualifications:

- Master's degree in School Counseling required.
- Hold or be eligible for Delaware or Maryland licensing/certification or National Board Certification
- Minimum of three years of relevant experience providing counseling high school students preferred
- Commitment to fulfilling the mission and vision of Saint Mark's High School.
