Position: High School Math Teacher

Grades: 9 - 11

School: Holy Cross High School

Reports to: Principal

Employment Type: Full-time, 10 months

Overview

Holy Cross High School is seeking a knowledgeable, enthusiastic, and mission-driven math teacher to join our team. The math teacher is responsible for instructing students in mathematics within a classical, faith-centered educational framework. The math teacher may teach the following courses: Algebra I, Geometry, Algebra II, and Pre-Calculus. The teacher integrates rigorous mathematical instruction with the Catholic intellectual tradition, fostering logical reasoning, precision, wonder, and an appreciation for truth as part of God's created order.

Duties and Responsibilities

- Teach high school mathematics courses which may include Algebra I and II, Geometry, and Precalculus, depending on the school's needs
- Design and deliver clear, well-structured lessons rooted in classical pedagogy, emphasizing logic, order and problem-solving
- Foster mathematical reasoning, accuracy, and perseverance in students through guided practice, discussion, and cumulative review
- Develop and administer assessments that evaluate mastery of concepts, procedures, and mathematical thinking
- Support the spiritual formation of students through prayer, participation in school liturgies, and modeling of Catholic values
- Maintain an organized and supportive classroom environment rooted in respect and high expectations.
- Collaborate with colleagues in curriculum planning and alignment across grade levels.
- Communicate regularly with parents regarding student progress, achievements, and any concerns.

- Participate in school events, faculty meetings, professional development, and extracurricular activities as needed.
- Uphold the mission, values, and standards of Holy Cross High School.

Qualifications

- Bachelor's degree

Preferred Qualities

- Experience with classical education or Catholic liberal arts curriculum.
- Strong content knowledge and the ability to explain complex concepts clearly

Compensation: Competitive salary with full benefits and 403B

For immediate consideration, interested applicants should send a cover letter and resume to Ms. Allison Eilers, Principal, at aeilers@hchs.org
