

MATHEMATICS TEACHER (Part-Time / Full-Time)

Position Overview

Padua Academy is seeking a dynamic, student-centered Mathematics Teacher to join our faculty. This position may be part-time or full-time depending on candidate availability and school needs. The ideal candidate will be passionate about teaching mathematics, committed to fostering confidence in young women, and supportive of the mission and values of Catholic education.

Responsibilities

- Plan and deliver engaging, standards-aligned mathematics instruction (courses may include Geometry, Algebra, or other high school math subjects)
- Create a positive, inclusive classroom environment that supports diverse learners
- Use a variety of instructional strategies to promote conceptual understanding and critical thinking
- Assess student learning through formative and summative methods and provide timely feedback
- Differentiate instruction to meet the needs of all students
- Communicate effectively with students, parents, and colleagues
- Participate in faculty meetings, professional development, and school events
- Support the spiritual, academic, and personal growth of students in alignment with Catholic values

Qualifications

- Bachelor's degree in Mathematics, Education, or a related field (required)
- Teaching certification (preferred)
- Prior teaching experience at the high school level (preferred)
- Strong content knowledge in secondary mathematics
- Commitment to the mission of Catholic education
- Excellent communication and organizational skills

How to Apply

Candidates for this position should submit a cover letter, resume, and contact information for three references to Dr. Mary McClory at mmcclory@paduaacademy.org

About Padua Academy

Rooted in the Catholic faith, Padua Academy offers young women a transformational college preparatory education, challenging them to live Christ-centered lives of leadership and service.
